To

Sir,

With reference to your letter No 4886/J 5'86 dated the 16th Instant, forwarding for my remarks the correspondence relating to the question of rent claimed on behalf of the Nara-Simha Swamy Temple for the building occupied by the Munsiff's Court at Sreerangapatam, I have the honor to observe that the building in question is admittedly the temple property and it would appear that it was taken possession of under the orders of the

the Assistant Judge in Mysore in 1881-82 for being used as a court-house. It is a substantial stone-building and was never in ruins as represented by the Munsiff who has not probably obtained accurate information on the subject. It no doubt has had to undergo some repairs and alterations so as to adapt it to the requirements of a court-house, such as the opening of sky-lights and removals of cross walls for free circulation of air and admission of light; but there was no understanding as imagined by the Munsiff

that no rent would be demanded for the same The fact is that the Temple authorities were never Consulted at all about the matter, prior to its being taken over for a occupation by the Municiffs Court.

2. The non-payment of rent for the use and occupation during the last 10 or 11 years may be regarded as an ample recompense for any outlay which the judicial Depart-ment may have incurred in executing the necessary repairs to the building.

3. The rent of £8 15/. claimed on behalf of the Temple is not a very high ~~for~~ seeing that the edifice,

is a spacious and substantial stone-building and there is much demand just now for house accomadation at Srirangapatam. If the Government however consider the sum as rather high, I will have no objection to accept on behalf of the Temple the proposed monthly rental of Rs 10/- subject of course to the condition that the temple will not be called upon to execute any repairs in future, by reason of its receiving this small rent.

4. The correspondence received with your letter under reply is herewith returned.
